

Tuesday 26th June 2018

Dear Parents and Carers,

Trust Merger

We are delighted to inform you that we have received approval from the Regional Schools Commission's Headteacher Board for our two Trusts, Newquay Education Trust (NET) and Peninsula Learning Trust (PLT) to merge into one Multi- Academy Trust.

This new Trust will be known as *Cornwall Education Learning Trust* (CELT) and will officially come into being on the 1st September 2019.

CELT will be a cross-phase Trust of young people aged 3 to 19. All our schools will be in the mid-Cornwall area, allowing us to be in working distance with each other, to facilitate collaboration and the sharing of expertise and resources.

Although children and parents will see little physical change at their individual schools where staff, pupil uniform and the school day will remain the same, they will notice the additional opportunities available and the positive impact these will make.

We see CELT as a beacon of great practice and positive outcomes for all our children, irrespective of their starting point.

We will ensure you receive regular updates, as we embark on this exciting journey. In the meantime, should you have any queries, please do not hesitate to contact us at Clerk to NET Board, tib@newquayeducationtrust.net or Clerk to the PLT Board ggroves@peninsulatrust.org

Thank you for your support.

Yours sincerely,

Geoff Brown
Chair of NET Board of Directors

Michael Cooper
Chair of PLT Board of Directors
